

INSTRUCTOR LED CPA PREP PROGRAM

Our **CPA Prep Program** is ideal for accounting professionals who already have the 150 credits necessary to sit for the exam.

- Take five graduate level accounting courses that incorporate online test prep for the four CPA sections.
No credit will be given for these classes.
- 100% repeats and updates of online materials until you pass.
- Classes can be accessed on campus or in real-time online via our HyFlex course delivery format.
