

2016-2017 Dependent Verification Worksheet

What is Verification?

Your FAFSA application was selected by the US Department of Education for a review in a process called "Verification." The Office of Financial Assistance must verify the information you reported on your FAFSA. If there are any differences, your FAFSA information may need to be corrected. The Financial Aid Office cannot make any federal financial aid payments available to you until all verification requirements have been met and the necessary corrections have been made.

What Are the Steps?

1. Complete the IRS Data retrieval through the FAFSA on the Web
2. If you cannot complete Step 1, you may order a TAX RETURN TRANSCRIPT from the Internal Revenue Service online at www.irs.gov or by phone at 1-800-908-9946. Obtain a 2015 Federal IRS Tax Return Transcript for yourself and your parent(s).
3. Complete and sign this worksheet - you and at least one parent must sign.
